D.O. No.15/06/2025-O&M

Dated 22-08-2025

Dear Secretary

The Union Public Service Commission as a Public Service Commission was set up in India for the first time on October 1, 1926. Later, in terms of the provisions of the Government of India Act, 1935 and with its coming into effect on 1st April, 1937, the Public Service Commission became the Federal Public Service Commission. With the inauguration of the Constitution of India on January 26, 1950, the Federal Public Service Commission came to be known as the Union Public Service Commission. The Union Public Service Commission, has played a pivotal role in the recruitment and selection of the nation's civil services, ensuring a meritocratic and transparent process that upholds the highest standards of governance. The Union Public Service Commission shall be completing 100 years of its journey in service of the nation.

2. A number of events are being planned to commemorate the Centenary Year-2026, starting from October, 2025. During the events, UPSC shall be showcasing its legacy, achievements, best practices adopted, IT initiatives and examination reforms. The Commission has decided that the event should be highly visible across the country.

3. Now when UPSC is going to celebrate its 100th year of establishment, I wish to place my sincere appreciation for all the assistance and cooperation received by the Commission which is crucial for fulfilling its mandate effectively and efficiently. I seek your personal attention in making the celebrations memorable by disseminating the information about Centenary year.
